3rd ANNUAL REPORT

Session 2020-2021

**SMT. SUSHMA SWARAJ GOVT. COLLEGE
FOR GIRLS, BALLABGARH**

Our vision

The *Upanishadic* maxim in the college logo असतो मा सद्गमय enshrines its understanding of what education must accomplish. The college seeks to create an environment which steers the students towards developing their highest faculties towards self-realization and compassionate action.

The college envisions a world where women take their rightful place as the creators and contributors in a progressive society. To give shape to this vision, Government College for Girls, Ballabgarh is strongly committed to building women of substance, through access to knowledge and resources, so that they rise to their fullest potential and take their rightful leadership role in society.

The college seeks to prepare the young women to

- build personally fulfilling lives as women of substance and character
- grow into persons with an open mind and holistic values
- create and partake opportunities of self-growth and develop capacity towards making a positive difference in society
- meet with confidence the challenges they will encounter in their lives
- uphold the core values of respect for diversity, inclusiveness and humanism

Our mission

The stated mission of the college is to provide:

- a stimulating and participatory learning environment that inculcates the values of curiosity, quest for knowledge and its practical applications
- a holistic education in liberal arts, commerce and basic science which prepares the young women towards professional qualifications
- enriching co-curricular activities which open up the young women towards self-exploration, self-growth and creative expression
- early mentoring for leadership instilling capacity to explore new ideas, take initiative and accept challenges with responsibility.

From Principal's Desk

Achievements of colleagues and students are a mark of excellence for any institution and a moment of pride for the head of the institution. For the overall personality development of students, it is important to have a balanced mix of academic pursuits and extra-curricular activities. Our college has always encouraged students to actively participate in both, academic and extra-curricular activities to harness their energy in creative pursuits. We embrace challenge, and are committed to excellence.

This year has been extremely tough with regard to COVID 19 outbreak and subsequent lockdown. Despite the pandemic taking its toll on the health and wellbeing of one and all, the teaching staff left no stone unturned to impart quality education through regular online classes of students and also motivated and guided the students to participate in various online competitions at college, state and national level. A genuine appreciation to my wonderful team of teachers for successfully implementing new approaches to teaching and learning in such trying times

I convey my heartiest congratulations to colleagues for their achievements in their respective disciplines during 2020-21 and to all the students for their great feats in different fields. True pillars of any institution are its students and it is their journey that defines the journey of the college. It is heartening to report that our students have not only participated but also won several prizes in various inter-college, state and national events.

My heartfelt wishes to our first graduating batch this year. It gives me immense satisfaction to see you all grow beautifully along this journey.

This annual report is a value addition in our collective intellectual journey and comprise of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come. My sincere appreciation to the annual report drafting committee comprising of Dr. Sapna Sachdeva Nair, Mrs. Ramanpreet Kaur and Sh. Chander shekhar.

Towards the end, I am thankful to all the members of the teaching fraternity and non-teaching staff for their sincere efforts, continuous support to our ideology of education and invaluable contribution for raising the bar of the institution and enabling the college to come this far. Together, we are building a future that is open and purposeful. I also extend my heartfelt thanks to the parents of our girl students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly responsible citizens of the future world.

Best Wishes.

Mrs. Krishna Sheoran

For handling in effective manner, college has maintained a website whereby students, faculty and stakeholders have easy access to college's ongoing activities, updated information.

BUDGET ALLOCATION FOR GRANTS

COLLEGE INITIATIVE

ACTIVITIES UNDER VARIOUS CELLS AND CLUBS

IQAC

Convener: Dr. Sapna Sachdeva Nair

Members: Dr. Sapna Nagpal, Mrs. Usha Dahiya, Mrs. Ramanpreet, Dr. Richa Gupta

Internal Quality Assurance Cell in an institution is a significant administrative body that is that is responsible for all quality matters. IQAC is a major step in pushing long term quality standards. It is the prime responsibility of IQAC to initiate plan and supervise various activities that are necessary to increase the quality of the education. We are committed to provide quality education in all three streams running in the college i.e. Arts, Science and Commerce (vocational).

Teaching learning plans-The teaching faculty prepared their Teaching learning plans as per the work load.

Remedial lectures -Online Remedial lectures for the students who need extra support have been conducted.

Advance learners- Measures were also taken for advanced learner active involvement in presentations and discussions

Innovations in teaching and learning- COVID-19 resulted in shutting of educational institutions across all across the country resulting in drastic shift in ways to impart education. It was a sudden and unprecedented change from the traditional physical classroom teaching to the virtual mode of teaching. There was distinctive rise of e-learning, whereby teaching was undertaken on digital platforms. On-line Classes with the tremendous support of all the professors ensured the smooth conduct of online classes through various digital modes like Google Meet, Zoom from the month of April 2020.

Student Feedback- Formal feedback mechanism is in place at college website. Feedback from final year students and their parents on various parameters like teaching, infrastructure, and facilities has been taken for further improvements.

Research- Out of 11 teaching faculty four are Ph.D and 4 are pursuing research. The staff constantly makes efforts to write research papers in their respective fields and get them published in reputed journal. Moreover, the faculty has participated in various workshops, conferences, FDPs, webinars, etc. during the year.

Institution has various committee for transparency, timely redressal of student grievances, Maintenance of ragging free campus, prevention of sexual harassment during the year.

IQAC has organized several sessions to foster physical as well as mental wellbeing of students during covid times. Mentioned below are some of the initiatives of IQAC for academic session 2020-21.

- IQAC in collaboration with NSS celebrated World AIDS Day on 1st December 2020 on online platform. Mrs. Kavita Singh, ICYC counsellor, Civil Hospital Faridabad addressed around 100 students

Guest speaker, Dr. Sumit Sachdeva, Professor, Department of Ophthalmology, PGIMS, Rohtak talked about the management of digital strain. He shared some useful tip on eyecare and demonstrated important eye exercises to prevent tiredness, watering, dryness, etc. due to prolonged digital use. Issues like black fungus, headaches pros and cons of wearing contact lens etc. were addressed during the session.

MENTOR MENTEE GROUP

Convener: Dr. Sapna Nagpal

Strong class monitoring is in place through multi-tier mentoring mechanisms to improve the teaching learning process and maximise communication between students and teachers. Every teacher has around 55 students in Mentor group and there is a class for mentorship every Wednesday. The purpose of mentor class is to discuss the family, health, personal and career related issues of the students. As a result, teacher-student bonding is significantly improved.

The mentorship initiative was even more important during Lockdown Period. Teachers connected to their students through Phone calls and discussed the health, financial, stress, study and other issues. The students facing difficulties were helped by the teachers and monthly report is prepared in this regard.

EARN WHILE YOU LEARN SCHEME

Convener: Mr. Chander Shekhar

Members: Mrs. Jagriti, Mrs. Shivani
